Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Louisville Group Violence Reduction ReEntry Project in the city of Louisville, KY. The entity to receive funding for this project is the Louisville Metropolitan Government located at 527 W Jefferson Street, Louisville, KY 40202.

The funding would be used to operate a program focused on reducing violent crime and recidivism among former gang members in Louisville. The project is appropriate for taxpayer funds because it will help reduce gang violence in the city of Louisville and ensure those who have disengaged from gangs avoid internal and external group violence associated with gang culture when released from incarceration.

The project has a Federal nexus because the funding provided is for purposes authorized under section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 USC 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey  
Member of Congress
